

# SUPPORT YOUR LOCAL PARK!

The Green Seattle Partnership is a collaboration between the City of Seattle, Forterra, community groups and nonprofits, businesses, schools and thousands of volunteers working together to restore and actively maintain the City's forested parklands.

## WHY SUPPORT URBAN FORESTS?

- Trees keep our air clean and reduce polluted runoff in our local waterbodies.
- Local parks provide habitat for wildlife and places for people to walk, run, and play.
- Restoration projects create community connections through volunteerism.

**By participating with the Green Seattle Partnership, you are helping to create a greener, healthier, and better city for all.**

Parks & Recreation

## HOW TO SUPPORT THE GREEN SEATTLE PARTNERSHIP

**VOLUNTEER!** Encourage employees to attend a restoration event at a local park.

**IN-KIND DONATIONS!** Donate coffee or food to power our hard-working volunteers, or donate other items from your organization.

**GROUP VOLUNTEER PROJECTS!** You can schedule a restoration event and create a unique team-building experience for your organization.
