

COVID-19 Volunteer Event Protocols

Thank you for signing up to volunteer with the Green Seattle Partnership! Volunteers are the life-blood of our program, and we're so grateful you want to help keep Seattle's forests healthy. Please read the following COVID-19 Safety Protocols carefully so we can all stay safe while having fun in our urban forests.

Before attending this event, please:

- **Watch this video to receive an event introduction, tool and site safety talk, and protocols for the event:** greenseattle.org/COVIDvideo. We have transferred this information to video format to reduce the need to gather at the beginning of the event.
- Familiarize yourself with the current signs and symptoms of COVID-19: <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>. If you are experiencing any of these, please stay at home.
- Take your temperature before leaving for the event. If it is above 100.4 F, please stay home.
- If you have come in contact with someone experiencing COVID-19 signs and symptoms, please stay home.
- **Please make sure your online registration is complete;** we will not provide a paper sign-in option at the event. If you have any questions or would like further confirmation, email info@greenseattle.org or call 206-905-6920.
- **Each volunteer event will be limited to 10 volunteers. If you are planning on bringing any friends of family (including children) please ensure everyone has registered online.**

What to bring:

- Wear clothes and shoes suitable for restoration activities (long pants, close-toed shoes, etc.).
- Arrive wearing your cloth face covering. You will be expected to keep it on through the entire event. If you forget a mask, extras will be available. Masks are required for all participants, regardless of vaccination status.
- Unfortunately, we are unable to provide water and snacks during our events. Please come prepared with your own water bottle and food.
- You are welcome to bring your own hand sanitizer, work gloves, and specific tools applicable to the tasks outlined in the work plan below (please no power equipment). We will also supply gloves, tools, hand sanitizer, well as sanitation materials for tools.

When you arrive:

- Please have your mask on and stop by the hand sanitation station first.
- Then, check in with the event lead who will provide your work station number.
- Go directly to your assigned work station.

Other event considerations:

- This event is adhering to local and State Safe Start Standards. Learn more here: <https://coronavirus.wa.gov/what-you-need-know/safe-start>
- Volunteers agree to adhere to the Seattle Parks and Recreation's Volunteer Code of Conduct, available here: <https://www.seattle.gov/Documents/Departments/ParksAndRecreation/Volunteer/VolunteerBehaviorExpectations.pdf>.
- You will be expected to pack out your own garbage.
- No bathrooms will be available on site for most events; we have reduced the duration of the volunteer event to address this issue.
